MEMORANDUM FOR: Deputy Director for Administration

FROM:

[REDACTED]

Director of Training and Education

SUBJECT: The Future of the Center for the Study
of Intelligence

1. During my check with the Deputy Directors regarding my recommendation that the Center for the Study of Intelligence (CSI) be abolished, I was advised that D/NFAC felt that the subject should be discussed initially by the Board of Editors of "Studies in Intelligence." This body over the years has served also as a Board of Advisors for the CSI.

2. The Board of Editors has a meeting scheduled for 10 April at [REDACTED] I plan to attend and present my case to them. This will provide a convenient forum for further discussion on an inter-directorate basis and will give us additional data on which to evaluate my recommendation.
